

Open WeatherMap

The screenshot shows the OpenWeatherMap website in a web browser. The browser's address bar displays the URL `home.openweathermap.org/myservices`. The website's navigation bar includes links for Guide, API, Dashboard, Marketplace, Pricing, Maps, Our Initiatives, Partners, Blog, For Business, Surya, and Support. A green confirmation message at the top states: "We have sent the confirmation link to suryasur006@gmail.com. Please check your email."

Below the message is a horizontal menu with links: New Products, Services, API keys, Billing plans, Payments, Block logs, My orders, My profile, and Ask a question. The "Services" link is currently selected.

A table lists the available services:

Name	Description	Price plan	Limits	Details
Weather	Current weather and forecast	Free plan	Hourly forecast: unavailable Daily forecast: unavailable Calls per minute: 60 3 hour forecast: 5 days	view

At the bottom of the page, there are three columns of information:

- Product Collections:** Current and Forecast APIs, Historical Weather Data, Weather Maps, Weather Dashboard, Widgets.
- Subscription:** How to start, Pricing, Subscribe for free, FAQ.
- Company:** OpenWeather is a team of IT experts and data scientists that has been practising deep weather data science since 2014. For each point on the globe, OpenWeather provides historical, current and forecasted weather data via light-speed APIs. Headquarters in London, UK.

The browser's taskbar at the bottom shows several open applications, including a Python terminal, a document editor, and a PDF viewer. The system tray on the right indicates the date and time as 7:15 PM on 11/5/2022.
